
Pregnancy & Prenatal Vitamin Reviews

Posted by KristyLee - 2008/08/21 04:55

Hi everyone,

A panel of independent Naturopaths have recently reviewed the top 16 selling Pregnancy supplements in Australia, with the results published on the HealthyComparisons.com.au website.

Blackmores Conceive Well Gold rated the highest, closely followed by Swisse Pregcel Multi.

I hope you find the reviews useful.

Warm regards,

Kristy Lee
